

The Hat-Trick Initiative

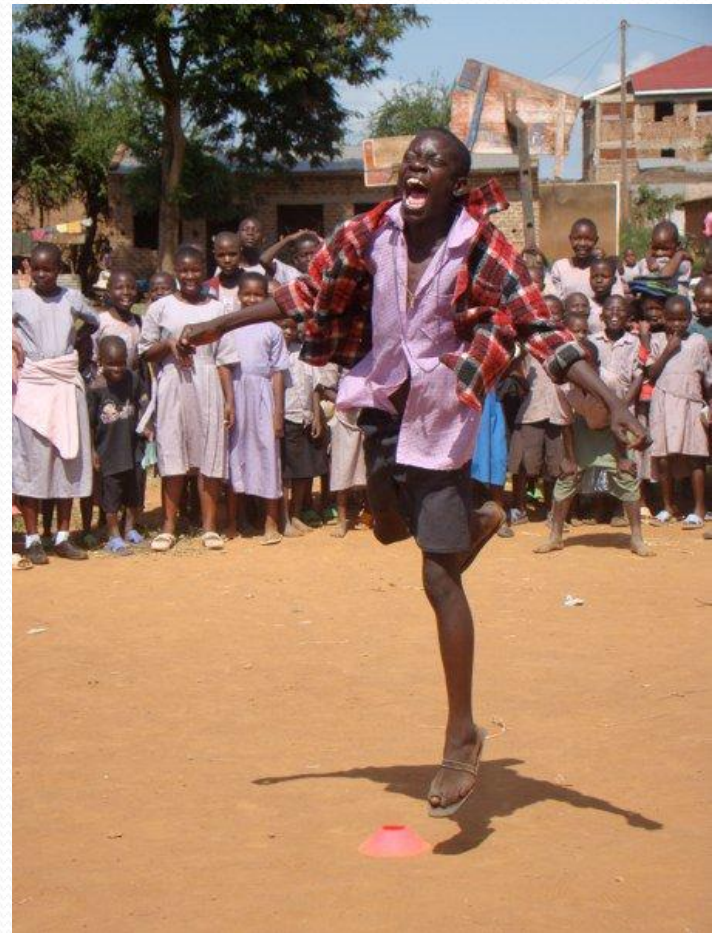

Coaches across Continents:
Community Development
through Soccer.

A three year initiative to create locally owned and sustainable community programs.

3 Goals in 3 Years

Goal 1

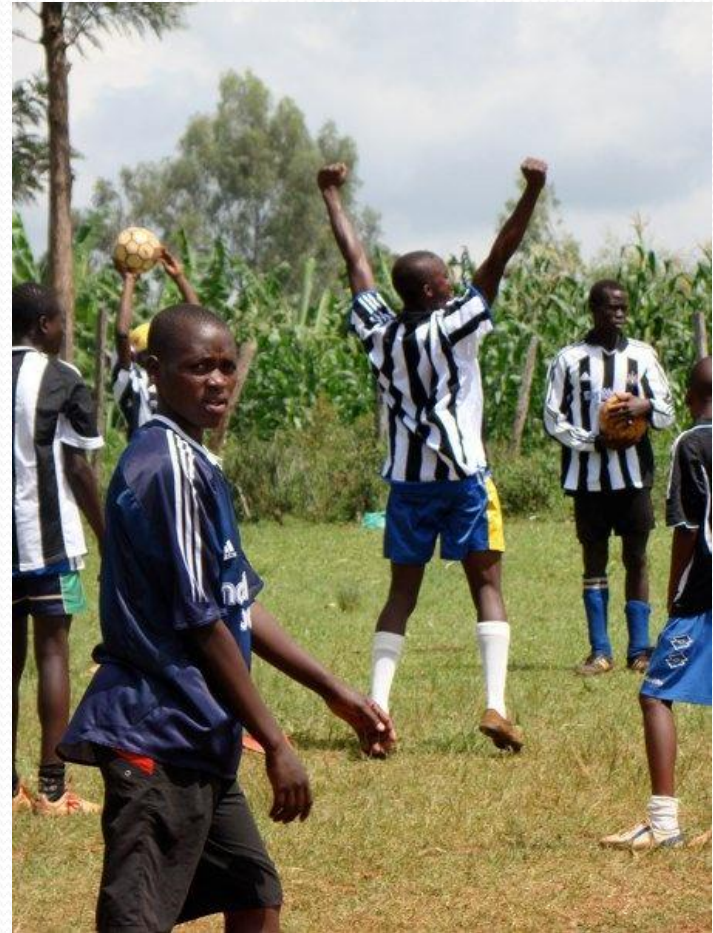

- We send coaches to communities to work with local teachers, volunteers and children for up to 12 weeks/year over 3 consecutive years. Local curriculum development and Online mentoring is established and ensures continuous improvement.

Working with Soccer for Conflict Resolution and Female Empowerment

Goal 2

- We fund selected community teachers and coaches to train in the UK or US to gain valuable educational and social experiences for up to 12 weeks.

Working with Soccer for Health and Wellness and the Environment

Goal 3

- We provide soccer kit and educational supplies and develop sports educational facilities to help the community to sustain the program.
